AACE CEP Certified Estimating Professional Exam Preparation

التحضير لاختبار AACE CEP محترف التقديرات المعتمد

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

AACE CEP Certified Estimating Professional Exam Preparation prepares candidates for the AACE CEP Certified Estimating Professional credential. Master the estimating body of knowledge tested in the CEP exam, from estimate classes and methods to basis of estimate and estimate review. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by AACE International; exam registration and fees are arranged directly with AACE International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Estimate classification and the estimating process.
- Answer exam questions confidently on Parametric, factored and detailed estimating methods.
- Answer exam questions confidently on Labour productivity, materials, equipment and indirects.
- Answer exam questions confidently on Escalation, contingency and basis of estimate.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of AACE International before enrolling.

Garnet is an independent training provider. The credential is awarded only by AACE International; exam registration and fees are paid directly to AACE International.
