Overview

AACE CFCC Certified Forensic Claims Consultant Preparation prepares candidates for the AACE CFCC Certified Forensic Claims Consultant credential. Prepare for the CFCC credential with the forensic schedule analysis, quantum and claims skills used in construction disputes. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by AACE International; exam registration and fees are arranged directly with AACE International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Construction claims and the forensic role.
- Answer exam questions confidently on Forensic schedule analysis methods (AACE RP 29R-03).
- Answer exam questions confidently on Delay, disruption and productivity loss.
- Answer exam questions confidently on Quantum: costs, damages and entitlement.
- Use proven exam technique and follow a realistic study plan to exam day.
