AACE DRMP Decision & Risk Management Professional Exam Preparation

التحضير لاختبار AACE DRMP محترف إدارة القرار والمخاطر

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

AACE DRMP Decision & Risk Management Professional Exam Preparation prepares candidates for the AACE DRMP Decision & Risk Management Professional credential. Prepare for the DRMP exam covering risk identification, quantitative risk analysis and decision analysis for capital projects. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by AACE International; exam registration and fees are arranged directly with AACE International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Risk management process and governance.
- Answer exam questions confidently on Risk identification and qualitative assessment.
- Answer exam questions confidently on Quantitative risk analysis and Monte Carlo simulation.
- Answer exam questions confidently on Contingency determination and schedule risk.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of AACE International before enrolling.

Garnet is an independent training provider. The credential is awarded only by AACE International; exam registration and fees are paid directly to AACE International.
