التحضير لاختبار AACE EVP محترف القيمة المكتسبة

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

AACE EVP Earned Value Professional Exam Preparation prepares candidates for the AACE EVP Earned Value Professional credential. Prepare for the EVP exam and apply earned value management to plan, measure and forecast project performance. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by AACE International; exam registration and fees are arranged directly with AACE International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on EVM principles, standards and the performance baseline.
- Answer exam questions confidently on Control accounts, work packages and budgeting.
- Answer exam questions confidently on Earned value techniques and progress measurement.
- Answer exam questions confidently on Variance analysis, indices and EAC forecasting.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend
