Overview

AACE PSP Planning & Scheduling Professional Exam Preparation prepares candidates for the AACE PSP Planning & Scheduling Professional credential. Prepare for the PSP exam with intensive practice in planning, CPM scheduling, resource loading, progress and schedule analysis. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by AACE International; exam registration and fees are arranged directly with AACE International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Planning, WBS and schedule development.
- Answer exam questions confidently on CPM calculations, float and logic relationships.
- Answer exam questions confidently on Resource loading, levelling and schedule compression.
- Answer exam questions confidently on Progress measurement, updating and forecasting.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend
