AEE CMVP Measurement & Verification Professional Preparation

التحضير لشهادة AEE CMVP محترف القياس والتحقق

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

AEE CMVP Measurement & Verification Professional Preparation prepares candidates for the AEE CMVP Measurement & Verification Professional credential. Prepare for CMVP with IPMVP options, baselines, adjustments and savings reporting. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by Association of Energy Engineers (AEE); exam registration and fees are arranged directly with Association of Energy Engineers (AEE). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on M&V principles and IPMVP framework.
- Answer exam questions confidently on Options A, B, C and D.
- Answer exam questions confidently on Baselines, regression and adjustments.
- Answer exam questions confidently on Metering, uncertainty and M&V plans.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of Association of Energy Engineers (AEE) before enrolling.

Garnet is an independent training provider. The credential is awarded only by Association of Energy Engineers (AEE); exam registration and fees are paid directly to Association of Energy Engineers (AEE).
