## Overview

ASCM CPIM Production & Inventory Management Exam Preparation prepares candidates for the ASCM CPIM Production & Inventory Management credential. Prepare for CPIM with demand management, S&OP, MPS, MRP, capacity, inventory and execution. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by ASCM (APICS); exam registration and fees are arranged directly with ASCM (APICS). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

## What you will be able to do

- Answer exam questions confidently on Supply chain strategy and demand management.
- Answer exam questions confidently on S&OP and master scheduling.
