| Duration | Format | Language | Level |
|---|---|---|---|
| **5 days (35 h) or 10 days (70 h)** | **Classroom / online / in-house** | **English or Arabic** | **Certification preparation** |

## Overview

ASIS PSP Physical Security Professional Exam Preparation prepares candidates for the ASIS PSP Physical Security Professional credential. Prepare for ASIS PSP: physical security assessment, system design and implementation. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by ASIS International; exam registration and fees are arranged directly with ASIS International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

## What you will be able to do

- Answer exam questions confidently on Physical security assessment.
- Answer exam questions confidently on Threat and vulnerability analysis.
- Answer exam questions confidently on Security system design: detection, delay, response.
- Answer exam questions confidently on Implementation, testing and commissioning.
- Use proven exam technique and follow a realistic study plan to exam day.

## Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of ASIS International before enrolling.

Garnet is an independent training provider. The credential is awarded only by ASIS International; exam registration and fees are paid directly to ASIS International.
