Professional Certification Preparation

AEE CEA Certified Energy Auditor Preparation

التحضير لشهادة AEE CEA مدقق الطاقة المعتمد

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

AEE CEA Certified Energy Auditor Preparation prepares candidates for the AEE CEA Certified Energy Auditor credential. Plan and conduct energy audits and prepare for the CEA exam. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by Association of Energy Engineers (AEE); exam registration and fees are arranged directly with Association of Energy Engineers (AEE). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Energy audit types and ASHRAE levels.
- Answer exam questions confidently on Utility bills, tariffs and benchmarking.
- Answer exam questions confidently on Lighting, HVAC, motors and compressed air.
- Answer exam questions confidently on Building envelope and process systems.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of Association of Energy Engineers (AEE) before enrolling.

Garnet is an independent training provider. The credential is awarded only by Association of Energy Engineers (AEE); exam registration and fees are paid directly to Association of Energy Engineers (AEE).

5-day outline
