## Overview

CGEIT Governance of Enterprise IT Exam Preparation prepares candidates for the CGEIT Governance of Enterprise IT credential. Prepare for the CGEIT exam on IT governance frameworks, strategy, benefits, risk and resource optimisation. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by ISACA; exam registration and fees are arranged directly with ISACA. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

## What you will be able to do

- Answer exam questions confidently on Governance of enterprise IT frameworks.
- Answer exam questions confidently on IT resources and investment.
- Answer exam questions confidently on Benefits realisation.
- Answer exam questions confidently on Risk optimisation.
- Use proven exam technique and follow a realistic study plan to exam day.

## Who should attend
