Overview

Participants in AI-Powered Marketing practise the methods, tools and standards they need to perform reliably and solve problems on the job. Win and keep customers with sharper strategy, selling and communication. You can join a public session in one of 20 cities or live online, in English or Arabic, or bring the course in-house with examples from your own operations.

What you will be able to do

- Apply the methods and standards of AI-Powered Marketing to real tasks.
- Avoid the mistakes that most often cause rework or failure.
- Share good practice with your team.
- Use the right tools, checks and calculations step by step.
- Diagnose common problems and identify root causes.

Who should attend

Marketing and sales teams, account managers, PR and communication specialists. Practitioners with one to five years of experience benefit most.
