رسم الخرائط وتصميمها

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Intermediate**

Overview

Cartography and Map Design is a practical GIS, Geospatial & Remote Sensing program. Design clear, accurate and beautiful maps for reports, print and the web. Every day pairs short theory sessions with hands-on exercises on real data and case studies, so participants leave with methods and templates they can use at work straight away. Join a public session in one of 20 cities or live online, in English or Arabic, or run it in-house with examples from your own projects.

What you will be able to do

- Apply cartographic principles and map purpose at work.
- Apply symbology, classification and colour at work.
- Apply typography and labelling at work.
- Apply layouts, map series and print production at work.
- Apply web and mobile map design at work.
