Community Health Workers Program

برنامج العاملين في صحة المجتمع

Duration	Language	Formats	Hours	Level
5 or 10 days	**English or Arabic**	**Classroom, online, in-house**	**35 / 70**	**Intermediate (management)**

Overview

This program treats Community Health Workers Program as a managed system: policies, roles, resources, performance indicators and continual improvement. Protect and improve population health through prevention, surveillance and health programs. You can join a public session in one of 20 cities or live online, in English or Arabic, or bring the course in-house with examples from your own operations.

What you will be able to do

- Set up and run Community Health Workers Program as a managed process with clear roles.
- Report clearly to senior management and stakeholders.
- Manage contractors, suppliers and internal customers.
- Plan resources, budgets and schedules realistically.
- Define KPIs and build simple dashboards for management.

Who should attend

Public health officers, health program managers, inspectors and community health staff. It suits supervisors, section heads and specialists who manage, or are about to manage, this area.
