Professional Certification Preparation

CompTIA A+ Preparation

التحضير لشهادة CompTIA A+

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

CompTIA A+ Preparation prepares candidates for the CompTIA A+ credential. Start an IT support career with A+ preparation: hardware, operating systems, networking, security and troubleshooting. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by CompTIA; exam registration and fees are arranged directly with CompTIA. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Hardware and mobile devices.
- Answer exam questions confidently on Operating systems and software.
- Answer exam questions confidently on Networking and virtualisation basics.
- Answer exam questions confidently on Security and operational procedures.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of CompTIA before enrolling.

Garnet is an independent training provider. The credential is awarded only by CompTIA; exam registration and fees are paid directly to CompTIA.
