Overview

Coaching Psychology turns established good practice into step-by-step methods that participants rehearse in exercises and then apply at work. Apply behavioural science to motivation, decisions, safety and wellbeing at work. You can join a public session in one of 20 cities or live online, in English or Arabic, or bring the course in-house with examples from your own operations.

What you will be able to do

- Apply the methods and standards of Coaching Psychology to real tasks.
- Use the right tools, checks and calculations step by step.
- Diagnose common problems and identify root causes.
- Interpret data and results correctly and act on them.
- Follow safe, compliant and documented work practices.

Who should attend

HR and L&D professionals, managers, safety leaders and organisational development teams. Practitioners with one to five years of experience benefit most.
