Professional Certification Preparation

ISO 14001 Environmental Lead Auditor Preparation

التحضير لشهادة المدقق الرئيسي لنظام الإدارة البيئية ISO 14001

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

ISO 14001 Environmental Lead Auditor Preparation prepares candidates for the ISO 14001 Environmental Lead Auditor credential. Audit environmental management systems to ISO 14001:2015 and ISO 19011 and prepare for the Lead Auditor exam. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by an accredited personnel certification body; exam registration and fees are arranged directly with an accredited personnel certification body. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on ISO 14001:2015 requirements.
- Answer exam questions confidently on Environmental aspects, impacts and compliance obligations.
- Answer exam questions confidently on Audit planning and ISO 19011.
- Answer exam questions confidently on Audit execution and reporting.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of an accredited personnel certification body before enrolling.

Garnet is an independent training provider. The credential is awarded only by an accredited personnel certification body; exam registration and fees are paid directly to an accredited personnel certification body.
