ASIS CPP Certified Protection Professional Exam Preparation

التحضير لاختبار ASIS CPP محترف الحماية المعتمد

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

ASIS CPP Certified Protection Professional Exam Preparation prepares candidates for the ASIS CPP Certified Protection Professional credential. Prepare for CPP across security principles, business operations, risk, investigations, personnel and physical security. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by ASIS International; exam registration and fees are arranged directly with ASIS International. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Security principles and practices.
- Answer exam questions confidently on Business principles and risk management.
- Answer exam questions confidently on Investigations and personnel security.
- Answer exam questions confidently on Physical and information security.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of ASIS International before enrolling.

Garnet is an independent training provider. The credential is awarded only by ASIS International; exam registration and fees are paid directly to ASIS International.
