LEED AP ND Neighbourhood Development Exam Preparation

التحضير لاختبار LEED AP ND لتطوير الأحياء

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

LEED AP ND Neighbourhood Development Exam Preparation prepares candidates for the LEED AP ND Neighbourhood Development credential. Prepare for LEED AP ND and plan smart locations, walkable neighbourhoods and green infrastructure. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by GBCI / USGBC; exam registration and fees are arranged directly with GBCI / USGBC. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Smart location and linkage.
- Answer exam questions confidently on Neighbourhood pattern and design.
- Answer exam questions confidently on Green infrastructure and buildings.
- Answer exam questions confidently on Innovation and regional priority.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Architects, engineers, sustainability consultants, facility managers, contractors and developers working on green buildings. Candidates should check the current eligibility requirements of GBCI / USGBC before enrolling.

Garnet is an independent training provider. The credential is awarded only by GBCI / USGBC; exam registration and fees are paid directly to GBCI / USGBC.
