Overview

NEBOSH International General Certificate Preparation prepares candidates for the NEBOSH International General Certificate credential. Revision and exam technique for the NEBOSH IGC open-book exam and practical risk assessment. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by NEBOSH (through an accredited learning partner); exam registration and fees are arranged directly with NEBOSH (through an accredited learning partner). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Why manage health and safety; leadership and culture.
- Answer exam questions confidently on Managing risk and the risk assessment process.
- Answer exam questions confidently on Health and safety monitoring, investigation and review.
- Answer exam questions confidently on Physical, psychological and chemical hazards.
- Use proven exam technique and follow a realistic study plan to exam day.
