التحضير لاختبار PgMP محترف إدارة البرامج

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

PgMP Program Management Professional Exam Preparation prepares candidates for the PgMP Program Management Professional credential. Prepare for the PgMP exam and the panel review with the Standard for Program Management and real program scenarios. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by Project Management Institute (PMI); exam registration and fees are arranged directly with Project Management Institute (PMI). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Program strategy alignment and benefits management.
- Answer exam questions confidently on Program stakeholder engagement.
- Answer exam questions confidently on Program governance and life cycle.
- Answer exam questions confidently on Program activities across component projects.
- Use proven exam technique and follow a realistic study plan to exam day.
