Overview

Participants in CEM Energy Manager Exam Preparation follow a focused study plan, work through realistic practice questions and learn the exam technique that turns knowledge into a pass. Exam registration and fees are arranged directly with the certifying body. Structured preparation for internationally recognised professional exams, with practice tests and exam technique. You can join a public session in one of 20 cities or live online, in English or Arabic, or bring the course in-house with examples from your own operations.

What you will be able to do

- Understand the structure, domains and rules of the exam.
- Identify and close your personal knowledge gaps.
- Use proven exam techniques for difficult questions.
- Follow a realistic study plan up to exam day.
- Apply the knowledge at work, not only in the exam.
