Executive Protection Management

إدارة الحماية الشخصية للتنفيذيين

Duration	Language	Formats	Hours	Level
5 or 10 days	**English or Arabic**	**Classroom, online, in-house**	**35 / 70**	**Leadership & strategy**

Overview

Senior participants in Executive Protection Management work on real strategic questions, test their thinking with peers and leave with decisions they can act on. Protect people, assets and operations, and recover quickly when things go wrong. You can join a public session in one of 20 cities or live online, in English or Arabic, or bring the course in-house with examples from your own operations.

What you will be able to do

- Set direction and priorities for Executive Protection Management in your organisation.
- Make sound decisions with incomplete information.
- Align people, structure and culture with strategy.
- Lead change and handle resistance constructively.
- Influence boards, peers and external stakeholders.

Who should attend

Security managers, emergency planners, business continuity and risk professionals. It is aimed at managers and executives who set direction and are accountable for results.

Key topics

- Threat and vulnerability assessment
- Physical security design
- Incident command
- Business continuity
- Exercises and drills
