Green Buildings, LEED & Sustainable Design

Green Building Operations and Facility Management

تشغيل المباني الخضراء وإدارة مرافقها

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Intermediate**

Overview

Green Building Operations and Facility Management is a practical Green Buildings, LEED & Sustainable Design program. Run certified green buildings day to day: energy, water, waste, cleaning, occupant engagement and recertification. Every day pairs short theory sessions with hands-on exercises on real data and case studies, so participants leave with methods and templates they can use at work straight away. Join a public session in one of 20 cities or live online, in English or Arabic, or run it in-house with examples from your own projects.

What you will be able to do

- Apply operating a certified building at work.
- Apply energy and water management in operations at work.
- Apply green cleaning, purchasing and waste at work.
- Apply occupant comfort and engagement at work.
- Apply performance tracking and recertification at work.
