Mostadam Accredited Professional Preparation

التحضير لشهادة مستدام المحترف المعتمد

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

Mostadam Accredited Professional Preparation prepares candidates for the Mostadam Accredited Professional credential. Prepare for Mostadam AP and apply the Saudi green building rating system to residential and commercial projects. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by Ministry of Municipal and Rural Affairs and Housing, KSA; exam registration and fees are arranged directly with Ministry of Municipal and Rural Affairs and Housing, KSA. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Mostadam framework and rating tools.
- Answer exam questions confidently on Energy and water categories.
- Answer exam questions confidently on Materials, waste and site categories.
- Answer exam questions confidently on Health, comfort and education categories.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Architects, engineers, sustainability consultants, facility managers, contractors and developers working on green buildings. Candidates should check the current eligibility requirements of Ministry of Municipal and Rural Affairs and Housing, KSA before enrolling.

Garnet is an independent training provider. The credential is awarded only by Ministry of Municipal and Rural Affairs and Housing, KSA; exam registration and fees are paid directly to Ministry of Municipal and Rural Affairs and Housing, KSA.
