Overview

Occupational Health Services turns established good practice into step-by-step methods that participants rehearse in exercises and then apply at work. Protect and improve population health through prevention, surveillance and health programs. It runs as a 5-day or 10-day program in English or Arabic, in classrooms in Dubai, Riyadh, Cairo, London, Istanbul and other cities, or live online, and can be delivered in-house.

What you will be able to do

- Apply the methods and standards of Occupational Health Services to real tasks.
- Follow safe, compliant and documented work practices.
- Avoid the mistakes that most often cause rework or failure.
- Share good practice with your team.
- Use the right tools, checks and calculations step by step.
