Professional Certification Preparation

TOGAF Enterprise Architecture Preparation

التحضير لشهادة TOGAF في معمارية المؤسسة

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

TOGAF Enterprise Architecture Preparation prepares candidates for the TOGAF Enterprise Architecture credential. Prepare for TOGAF certification and learn to apply the ADM to real enterprise architecture work. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by The Open Group; exam registration and fees are arranged directly with The Open Group. Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on Enterprise architecture concepts and TOGAF structure.
- Answer exam questions confidently on The Architecture Development Method (ADM).
- Answer exam questions confidently on Business, data, application and technology architecture.
- Answer exam questions confidently on Architecture governance and content framework.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Professionals preparing for a certification exam and managers planning team certification. Candidates should check the current eligibility requirements of The Open Group before enrolling.

Garnet is an independent training provider. The credential is awarded only by The Open Group; exam registration and fees are paid directly to The Open Group.
