WELL AP Exam Preparation

التحضير لاختبار WELL AP

Duration	Format	Language	Level
5 days (35 h) or 10 days (70 h)	**Classroom / online / in-house**	**English or Arabic**	**Certification preparation**

Overview

WELL AP Exam Preparation prepares candidates for the WELL AP credential. Prepare for the WELL AP exam and design buildings that support health and wellbeing. Each day combines a focused review of one domain with realistic practice questions and worked answers, and the course ends with a full timed mock exam and a personal study plan. The credential is awarded by International WELL Building Institute (IWBI); exam registration and fees are arranged directly with International WELL Building Institute (IWBI). Join a public session in one of 20 cities or live online, in English or Arabic, or run the course in-house for your team.

What you will be able to do

- Answer exam questions confidently on WELL v2 structure and certification process.
- Answer exam questions confidently on Air, water and nourishment.
- Answer exam questions confidently on Light, movement and thermal comfort.
- Answer exam questions confidently on Sound, materials, mind and community.
- Use proven exam technique and follow a realistic study plan to exam day.

Who should attend

Architects, engineers, sustainability consultants, facility managers, contractors and developers working on green buildings. Candidates should check the current eligibility requirements of International WELL Building Institute (IWBI) before enrolling.

Garnet is an independent training provider. The credential is awarded only by International WELL Building Institute (IWBI); exam registration and fees are paid directly to International WELL Building Institute (IWBI).
